CONFIRMATION NAME

A catholic is called by name during the Sacrament of Confirmation. You have the choice of choosing the name you received at Baptism or you may choose the name of a saint whose life has significance for you. For instance, you may be interested in music or carpentry or charity and will choose the saint who identifies with or is the patron of that interest. You may choose whatever Saint's name you like. Check out the site at catholic.org/saints/stindex.php
